KEY FEATURES

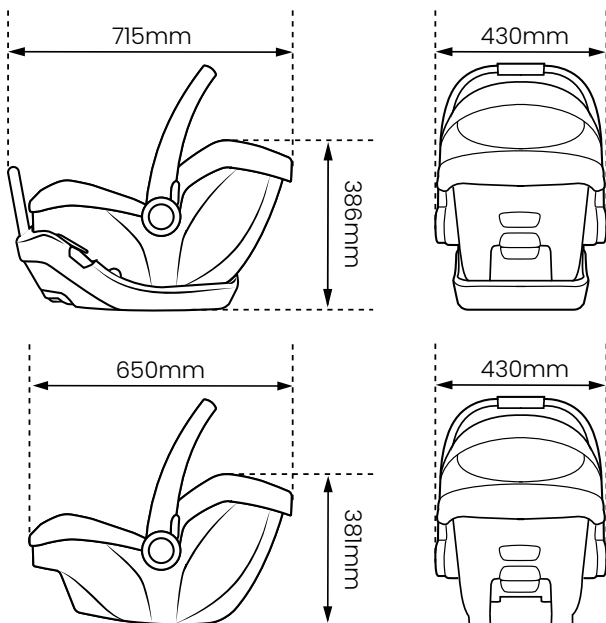

britax
safe.n.sound

- 1 Install Confidently with ClickTight**
Fast, easy and secure installation system with just a few simple steps.
- 2 Comfort for Newborns**
The b-pod lite can be stacked with cocooning comfort of the Newborn Infant Insert (sold separately).
- 3 Travel System Compatible (with most leading stroller brands)**
Travel system, click and go compatibility with a wide assortment of stroller brands. Scan the QR code for detailed stroller model compatibility.
- 4 Lightweight**
B-pod lite is lightweight; a must-have for parents on the go. It can be easily carried and quickly transferred from home to the car to the stroller, making it a breeze to take your baby out and about.
- 5 Large Sun Canopy**
UPF50+ sun protection extendable canopy with mesh window for airflow.
- 6 Rotating Carry Handle**
Carry, rock sit: the multi-position carry handle makes it easy to use in your car, with a compatible stroller or on the go.
- 7 Space Saver Design**
Slim outside, spacious inside; this baby capsule frees up backseat space while giving your child plenty of room to grow.
- 8 Rearward Facing Level Indicator**
Visual level indicator designed to aid correct rearward installation angles. Fully visible, the level indicator offers you an optimal range during installation.
