## UNITY™

### ISOFIX COMPATIBLE

### SUITABLE BIRTH - 12MTHS APPROX

The Unity ISOFIX Compatible is Australia's only infant carrier suitable for newborn up to 12 months (approx.) it is also the only infant carrier that has been tested and designed for low birth weight and premature infants without restrictive medical conditions. Provide your little one with the ultimate security with the Unity's high sidewalls providing maximum side impact protection and use ISOFLEX™ connectors to ensure an easier installation, correct fit and a safer journey every time.

## FEATURES & BENEFITS

### ONLY Infant Carrier Suitable to 12mths (Approx.)

Australia's only Infant Carrier suitable for newborn up to 12 months (approx.).

### ONLY Infant Carrier Suitable for low birth weight

Australia's only Infant Carrier suitable for low birth weight and premature infant without restrictive medical conditions. Multiple position shoulder harness and crotch straps for use with low birth weight and premature infants without restrictive medical conditions.

### ISOFLEX™

ISOFLEX™ connectors allow for installation to vehicles with ISOFIX low anchorages. ISOFIX use ensures an easier installation, correct fit and a safer journey every time.

### Click & Go™

Integrated Britax CLICK & GO adaptors for compatibility with selected Britax, Steelcraft, and BOB travel system strollers when used with CLICK & GO stroller receiver.

### Integrated Stabilising Bar

Integrated stabilising bar ensures that the Infant Carrier does not rotate in the event of a crash.

### Rotating Carry Handle

Rotating carry handle and detachable carrier section enables easy transfer from car to stroller or use out and about.

### Aircraft Compatible

Carrier section (without base) is suitable for aircraft use.

### EPS Foam

EPS foam and high side walls for maximum side impact protection.

### Compact Design

Compact design for small cars and configuration with other seats.

### Large Sun Canopy

Large sun canopy for protection whilst out and about.

### Support & Comfort

Includes insert, shoulder pads and crotch pad for additional support and comfort.

### Thermo5™

Thermo5 High Performance fabric with Bamboo delivers the premium comfort your baby deserves

### Infant Carrier Base

Infant Carrier Base allows for levelling adjustment for better fitment in your vehicle.
